PAYMENT

The total amount of the school year (tuition, meals and transport) **will be paid in 10 monthly instalments from September to June** (9 in the case of 2nd Baccalaureate). This pro-rata payment in 10 instalments of the same amount is done in order to provide families with a stable fee for the whole academic year.

All fees should be paid through the bank or in the administration office (by credit card) between the 1st and 5th of each month (including January).

Please respect the payment date for monthly fees. Any unpaid accounts will be charged for the banking fees incurred to the school and for the management costs generated in the processing of childcare, canteen or company cheques.

IB Diploma Programme students will pay the IB examination fees in the 2nd year before the exams are held in May, as well as the UNED fees for the conversion of grades.

The cost of the specific **language immersion and reinforcement** programmes in small groups is 70 € extra per month (SUPPORT English) and 90 € extra per month (ELE Spanish for foreigners).

SCHOOL TRANSPORT

School transport is provided by external companies, so the routes are contracted with the stops on an annual basis. The annual cost is divided into 10 fixed monthly payments. If a student uses two different routes as a result of a decision made by the family, this service will have an extra charge (please consult the school management), as a seat not occupied on one of the routes means that they have to provide a bus with a larger number of seats.

PARENTS' ASSOCIATION

This parents' association was created with the aim of enabling students to continue their studies in the event of the death of one or both parents.

The fee is €96 per year for one child, €78 per year for each child when there are two siblings and €50 per year for the third and fourth sibling.

This voluntary fee covers 75 % of the cost of tuition, meals and transport (if these last two services are used) and 100 % of the cost of reconfirmation of place, textbooks and digital licences, with the school covering the remaining 25 % of the cost of tuition, meals and transport.
