**Full yearly payment.** Discount of **2,5 %** in the fee for tuition for full annual payment before the 5th of September.

**Uniform.** **5%** from **the second child onwards.**

**Former students.** Children of former students who studied at Iale for a minimum of 5 years will receive an additional discount. (Enquire at the administration office).

## INFANT CHILDCARE VOUCHER

**Maternal 1** receives a discount from the Conselleria d' Educació that can be obtained by completing the registration within the given time.

**Maternal 2** receives a universal subsidy of 280 € for all students enrolled in the 2-years-old classroom (amount to be deducted from the tuition fee).

## PAYMENT

- 10 monthly payments from September to June (9 monthly payments from September to May for students in Bacallaureate 2). All fees should be paid through the bank or in the administration office (by credit card) between the 1st and 5th of each month (including January).
- Please respect the payment date for monthly fees. Any unpaid accounts will be charged for the banking fees incurred to the school.

## SCHOOL TRANSPORT

- School transport is provided by external companies, so the routes are contracted with the stops on an annual basis. The annual cost is divided into 10 fixed monthly payments. If a student uses two different routes as a result of a decision made by the family, this service will have an extra charge (please consult the school management), as a seat not occupied on one of the routes means that they have to provide a bus with a larger number of seats.

## PARENTS' ASSOCIATION

This parents' association was created with the aim of enabling students to continue their studies in the event of the death of one or both parents.

The fee is €96 per year for one child, €78 per year for each child when there are two siblings and €50 per year for the third and fourth sibling.

This voluntary fee covers 75 % of the cost of tuition, meals and transport (if these last two services are used) and 100 % of the cost of reconfirmation of place, textbooks and digital licences, with the school covering the remaining 25 % of the cost of tuition, meals and transport.
